The Hon'ble Minister for Forests,
Government of Mysore,
Vidhana Soudha,
Bangalore-1.

Sir,

I am herewith enclosing a Petition by one Sri Rudrappa Bhirmappa Salar of Anchatgeri Village in the Hubli Taluka. His 31 Acres and 31 Gunthas of land under his personal cultivation have been acquired and taken possession of by the Government for constructing an Irrigation Tank. He applied to the Deputy Commissioner, Dharwar to grant him the lands bearing R.S. Nos 90, 92 and 95 of Budnal (now merged in the Anchatgeri Village), in all measuring 34 Acres and 8 Gunthas, under the Forest Department, for cultivation, under SS.60 and 62 of the Bombay land Revenue Code. But his application for grant of the lands has been rejected on the ground that the Divisional Forest Officer, Dharwar, did not agree to transfer the lands to the Revenue Department on the ground that the lands are acquired for afforestation.

The Petitioner has been deprieved of his personally cultivated lands for a Public purpose. He has been thereby

S.Nos.24 and 25 are Revenue Waste lands and S.No.26 is a forest land. 50% of the land in these survey numbers are rocky and un-even and unfit for cultivation. During the course of the inspection, one Shri Basappa and Malliappa, who belong to the Scheduled Caste Community approached and represented that they have also lost their iduvali lands for the construction of Budnal Tank and that they have not yet been paid any compensation towards the lands

they have lost. It is ascertained that Shri Basappa has lost his iduvali measuring 12 acres and asking for Revenue waste S.No.24 and Shri Malliappa has lost 14 acres and wants S.No.25 which measures 13 acres and 8 guntas. They further represented that they have put in an application for Revenue Waste land S.Nos.24 and 25 and that they are the prior applicants and their applications are still pending in the Revenue Department.

I have directed the Divisional Forest Officer, Dharwar, to mark out the cultivable area in respect of the above three survey numbers and also to suggest any other revenue waste land nearby in respect of these three applicants to compensate the area they have lost for construction of the tank. 14) Sri Rudrappa Bharmappa Sadar of Anchatgeri Village, Hubli Taluk, Dharwar District had submitted a petition to the Hon'ble Minister for Forests so long back as 1962 requesting grant of Govt.lands bearing S.Nos.90,92 93 of Budnur (now submerged in Anchatgeri village, Hubli Taluk, Dharwar Dist.) in lieu of petitioner's lands which have been acquired for construction of Budnur Irrigation Tank. Sri M.R.Patil, M.L.A. had also addressed the Minister for Forests in this behalf vide page 1 c/f. The survey numbers asked for by the petitioner ~~have~~ were not recommended by the Forest Department since they had acquired the said area ~~same~~ for purposes of afforestation works. Subsequently it has been examined by the forest authorities as well as revenue authorities as to whether any alternate land could be given since the land of the petitioner had been acquired for a public purpose. Mr. M.R.Patil has stated that the petitioner has been deprived of his personally cultivated land for public purpose and he has therefore been deprived ~~from~~ the very source of livelihood. He has stressed that it is a moral obligation on the part of Government to grant the petitioner lands of an equal extent, when available, by way of rehabilitation. He has also added that technical objections should not stand in the way of doing justice to the party who is deprived of his lands for a public purpose.

15) On re-examination of the entire matter, the CCF has sent a report vide pages 18 to 20 c/f wherein he has stated that the under-mentioned areas are

Note.—Contn. Sheet

available for being granted to the petitioner:-

| S.No. | area | |
|---|---|---|
| 1.R.S.No.25 of Budnal | 13-8 | → Revenue waste land |
| 2.F.S.No.26 of Budnal | 19-36 | → Forest land. |

Since the party has lost an area of 30 acres 31 guntas, the D.F.O. has recommended equivalent extent as indicated above for giving in exchange. It is learnt that the party has not received any compensation vide Tahsildar's report (Flag X ) for land acquired by Government and is only insisting for grant of land in lieu of his lost land. The CCF and the CF have recommended that S.No.25 containing an area of 13 acres 8 guntas may be granted to this person ~~because it is revenue waste lands~~ and the R.D. is agreeable to part with it. They have stated that since the economic holding in this district is 16 acres and since S.No.26 which is forest land is required for afforestaion purposes that may not be given to the party.

16

Orders are therefore solicited as to which one of the under mentioned alternatives may be adopted in the present case:-

(i) to release S.No.25 containing an area of 13 acres 8 guntas of revenue waste lands as recommended by the CCF;

(ii) to grant both S.No.25 and 26 making all 30 acres and 31 guntas which would be equivalent to the land which the party has lost;

(iii) to release S.No.25 and also a portion of S.No.26 (forest land) to make up the economic holding of 16 acres.

17

Since S.no.26 is required for afforestation purposes, S.no. 25 may be given.

In continuat-ion of this office No. cited above, I submit herewith letter No. FOP/GFL/159-49 of 27/30-5-1964 of the Divisional Forest Officer, Dharwar along with the case papers for favour of perusal. Enquiry reveals that the area of Rev. No. 25 is 13-8-0 acres and that of F.S.No. 26 is 19-36-0 acres. Economic holding is 16 acres of dry land. As to the availability of other Rev. S.Nos- the same is not furnished by the R.D. but the R.D. has given its consent ~~consult~~ to grant R.W.S.No. 25-13-8-0 acres.

Since economic holding is 16 acres only, the request of the applicant for grant of R.W.S.No. 25 which is 13 acres 8 Gunthas and for which R.D. has given its conse-nt, may kindly be considered. As economic holding is 16 acres only, ~~same~~ since per ~~Guntha~~ capita of forest to land area in Dharwar District is much less, release of F.S.No. 26 is not recommended.

| S.No. | | Area | Assessment. Rs. |
|---|---|---|---|
| 1) | Revenue Sy.No.25 of Budnal. | 13-8 | 4.00 |
| 2) | Forest Sy.No.26 of Budnal. | 19-36 | 10.00 |

2) The economic holding in this locality for dry land is 16 acres.

3) The Revenue Department has not supplied the information regarding availability of the waste lands. Hence it is not possible to say, regarding availability of waste lands but the Revenue Department has given consent to grant Sy.No.25 of Budnal which is a Government Waste Sy.No. As regards compensation, it is stated that the applicant has not received any compensation for the lands acquired by Government. There is no proposal for granting any compensation to the applicant as he is requesting for grant of lands only in lieu of his lands used for the tank.

Since an area of 30A.-31Gs. has been acquired for construction of the irrigation tank, the applicant is requesting to grant an equal area from Govt. waste lands or from Forest lands which are available for grant. So the Sy.numbers 25 and 26 of Budnal were recommended for grant under this office even No. dated 5/6-3-1963. As no compensation is to be given to the applicant, I think, that an area of 30 Acres and 31 Guntas which is equal to his private lands acquired, may be granted from Sy.Nos. 25 and 26 of Budnal.

All the above Sy.Nos. were shown to the applicant by the Range staff. On 27-12-1964 I and Shri M.R.Patil M.L.A. visited Anchatgeri in order to select suitable land for cultivation. The applicant Shri R.B.Sadar represented and insisted that he would be willing to cultivate either in Sy.No.14,15,or 26 and he did not want land in any of the other Sy.Nos. Due to the fact that they are all far away from the place of his residence and he would not get assistance from his fellow cultivators if grant of land is given far away from his village. In this connection the statement obtained from the applicant is also enclosed at page|

Accordingly I and Shri M.R.Patil inspected the Sy. Nos. 14,15 & 26 of Budnal village and found that the southern half below the cart track running in Sy.Nos. 14 is fit for cultivation and in addition Sy.No.26 was again inspected thoroughly in which about 70% mostly on the north, north-Eastern and South-Eastern sides is suitable for cultivation. The other day on 20-12-1964 when the Honourable Minister was present in the field, the above said portions of Sy.No.26 were not seen. Shri M.R.Patil M.L.A. was present on the field was also convinced that part of Sy.No. 14 and Sy.No.26 could be granted to the applicant. Out of the Sy.No.26 the cultivable area is about 14 acres and the rest of the area happens to lie on the South-Western corner of the Sy.No. cannot be retained with advantage by this Department, this uncultivable bit will provide grazing facility to his cattle.

So it was jointly decided that the portion lying to South of cart track lying in Sy.No. 14 amounting to [illegible] acres and [illegible].19acres and 36 gunthas in Sy.No.26 in

MYSORE GOVT. SECRETARIAT
No. 105
27 FEB 1965
AGRL. & FOREST DEPT. (RECEIPT & ISSUE)

Sir,

Subject:- Representation of Shri M.R.Patil, M.L.A., for grant of land to Shri Rudrappa Bharmappa Sadar of Anchatgeri, Hubli Taluka in Sy.Nos. 90, 92 and 93 of Budnal.

.....

According to the instructions issued to the Conservator of Forests, Belgaum by the Minister for Forests on 19th/20th and 21st of December, 1964, The Conservator of Forests, Belgaum has submitted the proposal for the release of 28-24-0 acres of land in F.S.NO.14 and 26 of Budnal for being granted to Shri Rudrappa Bharmappa Sadar of Anchatgeri. The instructions have since been confirmed by Government vide Government letter NO. AFD-2-FGN65, dated 18.2.1965.

I am enclosing herewith a copy of letter NO.FOF/GFL/DWR/1693/34 dated 12.1.1965 of the Conservator of Forests, Belgaum together with its enclosures in respect of the same for perusal.

It is reported that the applicant had last an area of about 30 acres of his Malki land under Budnal tank and in order to find out a suitable land for cultivation, The Divisional Forest Officer in company of Shri M.R.Patil, M.L.A., ~~inrespect~~ inspected a few Sy. Nos. and finally recommended an area of 8-28-0 acres of F.S.NO.14 of 19-36-0 acres of F.S.NO.26 of Budnal for release in favour of the applicant Shri Rudrappa Bharmappa Sadar of Anchatgeri, Hubli Taluka. The area proposed for grant is in the organised Forest and adjoins cultivated lands.

I agree with the proposal of the Conservator of Forests and recommend that an area of 28-24-0 acres of land of F.S.NO.14 and 26 of Budnal be released in favour of the applicant.

Yours faithfully,

CHIEF CONSERVATOR OF FORESTS.

Gs.26/2/65.

has agreed for the release of an area of 28 acres and 24 gunthas out of S.No.14 and 26 of Anchatgeri in favour of the applicant for the purpose of cultivation. The area proposed for grant is in the organised forest and adjoins cultivated lands. The Tahsildar Hubli after enquiry recommends the requests of the applicant for grant of this area of land for cultivation.

The land acquisition proceedings are still in the initial stage and it may take some more time for completion of the proceedings. In accordance with the provisions contained in ~~para~~ section 31(3) of the Land Acquisition Manual, alternative Government lands can be granted to the persons interested whose lands have been acquired in lieu of compensation amount. Since the forest lands in question are now available for being granted to the applicant, there appears no objection to disforest the area in question and to grant it to the applicant on usual terms for cultivation, on specific condition that he ~~should not~~ will not claim compensation for his land acquired for a public purpose. The award in the land acqusition case may be passed accordingly in due course. Since the possession of the land has already been taken in 1958 only, there seems no objection to grant the forest lands in question to the applicant before completion of the acquisition proceedings. If agreed, the Government may be moved to accord necessary sanction to disforest the area in question and to grant it to the applicant for cultivation. After Government sanction is obtained, the D.F.O may be asked to take further steps to disforest the area and to transfer it to Revenue Dept for being granted to the applicant.

In submitting herewith the case papers ending with Tahsildar Hubli's endorsement No.LGL.SR.202 dated 17-7-1965, I have to state as under:-

The applicant Shri.Rudrappa Bharamappa Gadar of Anchatgeri has applied for grant of an area of 30 acres of land out of S.No.14,15 and 26 of Anchatgeri Taluka Hubli in lieu of an area of 22 acres 21 gunthas of land acquired out of his lands S.Nos 3/1, 5/3, 5/1, and 3 of Anchatgeri for the purpose of construction of an irrigation tank at Budnal. The lands belonging to the applicant stated above have been proposed to be acquired for the purpose of an irrigation tank by the P.W.D. along with some other lands. The land acquisition proceedings started in this case in this connection are still in preliminary stage. The possession of lands required for the construction of this tank, has however been taken by the P.W.D. on 16-1-1958 by private negotiation before initiating the acquisition proceedings. The applicant contends that he has become landless, consequent on the taking over possession of his lands for the public purpose and requests for grant of alternative land for cultivation in lieu of compensation amount.

The lands S.No.14,15 and 26 of Anchatgeri demanded by the applicant are forest lands in charge of Forest Department. The Chief Conservator of Forests, Bangalore under his letter No.B-3/GFL/799/64-65 dated 26-2-65 addressed to the Government,

B A N G A L O R E.

Sir,

Ref:- Your No.AFD-78-FGL-62 dated 24-5-1966.

With reference to your letter cited above I have to state as under:-

No representations of Shri. Basappa Mother Karewwa Talwar and Maliyappa Yellappa Madar are pending in this Office. In the penaltimate para of my letter i.e. 4-1-1965 as referred to by you it is clear that the two applicants have applied for Revenue Waste Lands and are not willing to take forest lands as enumerated in my para 2. In this connection I have discussed with the Assistant Commissioner, Dharwar Division, Dharwar to expedite sanctions of Revenue Waste Sy.Nos. 24 and 25 of Budnal Village to the said applicants. The matter is pending with the Revenue Department and I am again reminding the Assistant Commissioner to-day. This is for your information.

Yours faithfully,

(H.P.VISWANATHAN)
Divisional Forest Officer,
Dharwar Division, Dharwar.
